

AVTEC RECEIVES GRAND AWARD IN DELTONA

Builder's Citation 4 Green Home Impresses Parade Judges

(Deltona, FL) April 2010— The Volusia Homebuilders Association presented Avtec Homes with the Grand Award for their Citation 4 home in the Parade of Homes category for Single Family Residence priced from \$100,000 to \$115,000. Judges considered design, value and features in their decision. The Citation 4 in Deltona has been certified a Florida Green Home by the Florida Green Building Coalition.

Avtec Homes is a sixth-generation homebuilder, dedicated to the construction of affordable new homes. Started in Palm Bay in 2005 by veteran homebuilder Larry Sietsma and daughter, Sandi Forest, Avtec Homes has grown steadily, adding new locations in a down real-estate market. They are ranked 172 on *Builder* magazine's 2009 annual list of the nation's top home builders. Avtec Homes builds in six locations in Brevard, Volusia and St. Lucie counties, specializing in helping first-time buyers into new homes with little or no down payment through the use of local, state and federal programs. For more information on Avtec Homes or directions to their decorated model home centers visit the company website at www.avtechomes.com

Avtec Homes New Home Consultant Jesus Dohnert and Division Manager Ed Wire accept the Volusia Home Builders Association's Grand Award for the certified green home Citation 4.
